Layout Editor: Ashlyn L. and Camille E.
Reporters: Renee R., Claire C., Cameron R., Zach C., Andrew E., Amy A., and Elizabeth R.
Photographers: Ashlyn L., Andrew E., and Amy A.

NEW ELECTIVES EXPLODE

Have you ever wanted to try something new? Well, this year we have two new electives, Journalism and Knights Club! Knights Club is run by Mr. Guisti . It teaches leadership , sports, and service . The Knights Club also makes playground rules, organizes lunch activities, and cleans the playground on Monday.

During Journalism we are working on a newspaper, the Green and Gold Gazette, that will be published about every two weeks. The newspaper will have stories about what is going on in our school community, whether they take place in or out of school. The paper will also include socials ,sports, and entertainment. A suggestion box has been placed out-

side of Mrs. Sutlick's class for any jokes, comics, questions , or any suggestions you may have. Anyone can suggest ideas for articles and interviews. Both electives are off to a great start and the classes are working extremely hard. We hope you will read the Green and Gold Gazette and continue to be leaders!

By: Elizabeth R. and Amy A.

IT'S JUST FUNNY

Bob was really in trouble, for he forgot his wedding anniversary. His wife was really mad. She told him tomorrow morning I expect to find a gift in the driveway that goes from 0-200 in 6 seconds, and it better be there! The next morning he got up early and left for work. When his wife woke up, she looked out the window and sure enough there was a box gift wrapped in the middle of the driveway. Confused, his wife put on her robe and ran out to the driveway, bringing the box back inside. She opened it and found a brand new bathroom scale. Bob has been missing since Friday. Ha-Ha.

Joke Submitted by Andrew Gogly

FOOTBALL WINS IT ALL, VOLLEYBALL TAKES A SHORT FALL

AN IRISH VICTORY!!!

On September 14, the Middle School football team beat the Dayton Bulldogs 27-6. The touchdowns were scored by Isaiah Scheel, Jerod Konen, and Andrew Elmenhurst.

ANOTHER VICTORY!!

The football team's second contest saw the boys defeat Liberty Christian Patriots 32-7. Isaiah Scheel scored three touchdowns while Jerod Konen had two. Cameron Richman had two interceptions. The team played well of which the coaching staff was very proud.

Victory for the Irish seventh grade volleyball team against Sager was sweet. The girls won their first and third games to win the match. Mary-Brooks Baldwin led the team in passes while Kathia Jimenez led the team with the most serves. **CONGRATS!**

The 8th grade girls weren't so lucky. They lost their first and third games to come up short in the match. Nice game Renee Roach! She led the girls in passes and serves. Now that the first game jitters are out of the way, the 8th graders are ready to win.

Great job Assumption Athletes!!

NEW FACES FROM VARIOUS PLACES

**Fight the good
fight of faith take
hold of eternal
life to which you
were called**
First Timothy 6:12

We are blessed to have many new people at Assumption School this year, including a new teacher, Mr. Gordon, and 39 new students. You must be curious of what life is like for teachers outside of school, let alone a new teacher you know little about. So, to get a little information about the newest addition to our staff, Mr. Gordon, we sent reporter Andrew Elmenhurst to get the inside scoop.

Andrew introduced himself and jumped right into questioning.

R: What are your outside hobbies?

G: I love to run and spend time with my family and students.

R: You said you like to spend time with your students. What's your favorite subject to teach to them?

G: I love to teach math.

R: Do you like Assumption School?

G: Yes. It's a good school with great students and staff.

R: Like me, right?

G: Ha-Ha. Yes, Andrew, just like you.

DEAR DARLA

Dear Darla, I have a test and I need help studying.. ~ Scared-of-Tests

I know how you feel. I think you should review your material. I would recommend splitting your time to keep your studying spread out instead of cramming it all in the night before the test. If you choose to study in advance, I would suggest starting about a week early, so you can take information in each night. Another good way to study is to make flashcards for vocabulary or listing questions.

Good lucky on your test *Darla*

P.S. Darla is a Cleveland Browns fan.
