

Booster Club Meeting Notes

May 12, 2010

1. Meeting called to order 7:00 p.m. Minutes from April meeting read and approved.
2. **Weight Room Tour:** Mr. Fazzari gave us a tour of the weight room. The equipment is in place and it looks great. With the new equipment there is more room to move around. We were shown some of the new safety features that will protect our athletes from possible accidents as they do their workouts.
3. **Treasure Report:** Mr. Fazzari gave a hand out of the Booster Club accounting for the last month. The biggest expenses for this last month was the new equipment for the weight room, but with the donations from the other athletic groups, and the pizza fundraiser that brought in \$1300.00, and the plans for another pizza fundraiser the balance should not be much for Booster Club.
4. **Projects:**
 - Storage Facility:** Gutter repair on the storage shed has been completed.
 - Gymnasium:** Tours with various consultants on the gym project are finished and projected costs have been put together in a report that will be given to the board.
 - Update:** In a meeting with Mr. Fazzari, Mr. Schmitz and Mr. Lesko on May 13, the Board has decided to put the gym project on hold for another year. They will try to do some fix-its to get us through the next school year. Mr. Schmitz plans to meet with the booster club to share more details. President Rose Worth still plans to attend the next board meeting to voice our concerns.
5. **Spring Sports:** With the possibility of many of our athletes going to state this spring we have decided to do a State Mail out. We will do this on Sunday May 23, at 3:00
6. **Spring Awards Banquet:** Sunday May 23, 2010
7. **Sausage Fest:** Mr. Ruthven came and filled us in about the raffle we are joining them in for Sausage Fest. That weekend's football game would be an away game with Waitsburg. Waitsburg has agreed to move the football game to Thursday night so there would not be a conflict with the Sausage Fest.

Meeting Adjourned 8:00 p.m.

Next Meeting June 9th
