Board of Directors

Policy #3850 (Rev, May 23, 2019)

SCHOOL AFFILIATED ORGANIZATIONS

The approval by the Principal(s) of Assumption and DeSales schools shall be required for charters of all Home and School, Booster, and any other affiliated organizations that are to be associated with their respective schools. Requests for approval may be made after review by the President of WWCS.

The organizations' charters at a minimum, shall reflect the following common purposes:

- Provide a forum for parents to receive information and formation about school curriculum, extra-curricular activities, and school-related matters applicable to the specific organization;
- Foster unity and a sense of community among school families, and;
- Raise funds for non-budgeted items for school use.

These organizations are not responsible for decisions or policies regarding school policies, regulations, or school personnel matters.

All families accepted into the WWCS are automatically eligible to become members of any school affiliated organizations.

The school organizations shall develop annual budgets and plans of activities, which shall be submitted for the Principal(s)'s approval in September of each school year. Quarterly written updates of activities and financials shall be submitted to the Principal(s). After consultation with the Principal(s), and in collaboration with the Business Office, the current organizations' officers shall establish regulations for the organizations' management of money, its manner, and purpose of determining expenditures.

APPROVED: May 23, 2019

Father M. Nicks, President WWCS
