

# Assumption Birthday Book Club

This year Assumption School will continue the "Birthday Book Club" (BBC) program to help increase our library book collection. The goal of the BBC is to help you honor your children on their birthdays and provide us a way to add great books to our library collection. Notice on the form below you now have the option of purchasing a book in print or an audio book for your student's birthday. Anyone can participate in this program: parents, grandparents, friends, etc. The BBC is an amazingly easy way for local or out-of-town family members to support your child's love of learning.

**How does the BBC work?** It's simple! Fill out the form at the bottom of this page and return it with a check payable to Assumption School. When your child's birthday arrives they will be invited during their scheduled library time to select a new book from our "Birthday Book Club" selection. We will have a bookplate placed in the book honoring your child. Your child will be the first student to check out the book and will also receive a bookmark and a special "Assumption Birthday Book Club" pencil, celebrating their special day. When your child is done reading their book it will be added to the library collection for all our students to enjoy.

What about summer birthdays? We celebrate summer birthdays in the spring. We can even celebrate "belated birthdays", too! Books can be donated to honor family members as well.

Please return the bottom portion of this form at your earliest convenience. We would appreciate receiving your donation request by the end of the month preceding your child's birthday. BBC donations for September birthdays may come in at any time during the month. If you have any questions please contact Mrs. Guest at [aguest@thewwcs.com](mailto:aguest@thewwcs.com). Additional BBC forms can be picked up at the school office throughout the school year.

Sincerely,

***Mrs. Annie Guest***

Assumption Librarian
